

# E-Exit

**E-Exit**, our online product for Perkins, Health Professions (HPSL, LDS, PCL), Nursing, and Institutional student loans, allows your students to complete required student loan exit interviews by logging on to our Web site for borrowers, [mycampusloan.com](http://mycampusloan.com). With E-Exit, students can print a copy of their completed Student Loan Repayment Schedule and Disclosure form and exit interview from the Web site or request that we mail a paper copy of the completed form to them.

School administrators can check the status of a particular borrower or all their borrowers through System 3i, and additional reporting is provided on a weekly or monthly basis through *eXpressReports*. Exit interviews and Student Loan Repayment Schedules and Disclosure forms are stored on [mycampusloan.com](http://mycampusloan.com) and System 3i so both borrowers and loan administrators can access them in the future.

## Benefits of using E-Exit:

- Time saving for you—no group or individual exit interviews to schedule.
- Easy and convenient for borrowers to complete and E-Sign their interview online from any computer— including your office if you prefer a more hands-on approach.
- We can notify your borrowers when it is time to complete an exit interview.
- E-Exit interviews are stored on our Web sites for future viewing.
- E-Exit interviews are generated at the same time that your paper exits were formerly produced so your schedule remains the same. You also can change your exit schedule by sending us a written request.
- When demographic data is updated during the E-Exit process, this critical contact data is also updated on System III.
- Customized Repayment Schedules are populated with information from System III.
- Clear and complete instructions are provided for borrowers.
- Developed with strict attention to Federal Regulations and Education Department guidelines.

Like *iPROMise*, our online product for entrance interviews, E-Exit is more convenient for borrowers and saves you time. Together, the two products help cover the entire spectrum of Federal Perkins student loan administration. With the inclusion of other campus-based loans type within E-Exit, the product provides a complete solution for managing the exit interview process.

For more information about E-Exit, please contact Campus Partners at (800) 458-4492, ext. 2270.
