

# MyCampusLoan.com

Our Web site for borrowers, [MyCampusLoan.com](http://MyCampusLoan.com), is designed to help your borrowers manage their student loans on-line. Both static content and dynamic information are available from this site.

Dynamic or interactive information is unique to each borrower and is directly related to loans that the borrower has on our system. To view this information, the borrower must enter a user name and password and log on to the site. A user-friendly intuitive interface allows your borrowers to easily navigate our site.

## By registering to use MyCampusLoan.com, borrowers can:

- Register for a user name and password
- View payment due dates and amounts
- Review interest paid amounts
- See complete payment, cancellation, and deferment histories
- Update address and other demographic information
- Calculate future payoff dates
- Make payments on-line (E-Pay)
- Enroll in AutoDraft, our automatic direct draft service
- Enroll in E-Bill to receive e-mail notification when payments are due
- User-friendly intuitive interface allows your borrowers to easily navigate our site
- Complete their exit interview online and e-sign supporting documents (optional service for schools that contract for E-Exit)

Borrowers also can download all entitlement forms, read answers to frequently asked questions on topics such as deferments, AutoDraft, E-Bill, and options during economic hardship, and find contact information for our Customer Service Representatives and the Ombudsman's Office from the Web site.

As of August 2005, 27% of your borrowers had registered to use mycampusloan. The most popular transaction is E-Pay, allowing your borrows to make a last minute on-time payment. Along with features promotion timely loan repayment, the Web site allows borrowers to get the information that they need without calling your office.
